PLANET GYMNASTICS CHEERLEADING PROGRAM

The Cheer program offered at Planet Gymnastics offers instruction in every area in the sport of cheerleading; Cheer Jumps and Motions, Cheer Dance, Tumbling and Stunting. Students will train in a state of the art facility allowing them the best learning experience. Private training sessions are also available for individuals or cheer squads.

Students have goals to aim for throughout the month, and parents receive a progress report each semester.

We also have special events to celebrate holidays or seasons, and we host a Winter Wonderland performance by our students in December and a Mini-Olympics in May.

Classes are designed for different levels of ability:

CHEER 101 / 102 = This class focuses on all the fundamentals of cheerleading; concentrating on jumps, motions, voice and cheer dance. The student will learn proper technique and placement to execute each skill properly.

CHEER TUMBLE = Cheer/Tumble. This class focuses on cheer jumps, motions and tumbling.
