PLANET GYMNASTICS DEVELOPMENTAL GYMNASTICS PROGRAM FOR GIRLS & BOYS

Each child is provided with the opportunity to learn and develop gymnastic skills, and also the fundamentals of goal setting, creativity, hard work and reward. Our fun and safe environment encourages a positive self-esteem, and a joy of learning.

Students follow our Gymnastics Development Plan. They have goals to aim for throughout the month, and parents receive a progress report each semester.

We also have special events to celebrate holidays or seasons, and we host a Winter Wonderland performance by our students in December and a Mini-Olympics in May.

Girls practice on all four Olympic events: vault, bars, beam and floor, and on our ground-level trampolines and foam pits.

Boys practice on all six men's Olympic events: floor, pommels, rings, vault, parallel bars and high bar, and also on our ground-level trampolines and foam pits.

Classes are designed for different levels of ability:

Level 1 is for the new or beginner student age 6 & up

Level 2 is for students with a basic level of gymnastics.

Level 3 is for the more advanced students.

After completing all levels, girls can stay in their class, or join our competitive team of State and National champions. Tryouts are in the Fall and the Spring.

Monthly Rates start at \$78 for 1 hour classes each week. There is a \$5 discount for paying before the 1st of the month and \$10 discount for signing up for bank or credit card draft. Family discounts apply. You can sign up at any time during the month. Registration is \$40/year for 1 child, \$75/2 children & \$100/3 or more children. Students receive a membership package.

A class schedule can be found at our front desk, or on our website at www.PlanetGymnastics.com
Have your birthday party in the gym. See our brochure.
