PLANET GYMNASTICS DEVELOPMENTAL GYMNASTICS PROGRAM FOR GIRLS & BOYS

Each child is provided with the opportunity to learn and develop gymnastic skills, and also the fundamentals of goal setting, creativity, hard work and reward. Our fun and safe environment encourages a positive self-esteem, and a joy of learning.

Our sessions last 6 weeks and follow our Gymnastics Development Plan. Students have goals to aim for throughout the session, and at the end they receive a certificate outlining their achievements, and a ribbon. We also have a special reward system for all students.

We also have a special event each session to celebrate holidays or seasons, and we host a Winter Wonderland performance by our students in December, and a Summer Fun Meet in June.

Girls practice on all four Olympic events: vault, bars, beam and floor, and on our ground-level trampolines and foam pits.

Boys practice on all six men's Olympic events: floor, pommels, rings, vault, parallel bars and high bar, and also on our ground-level trampolines and foam pits.

Classes are designed for different levels of ability:
Level 1 is for the new or beginner student age 6 & up

Level 2 is for students with a basic level of gymnastics.

Level 3 is for the more advanced students.

Adult Class is for 18 years & over. It's fun!

After completing all levels, girls can stay in their class, or join our recreational or competitive teams. Boys may be invited to join our boys' competition team.

6-week session costs \$83 for 1 hr/week, \$135 for 2 hrs. \$5 discount if prepaid. Family discounts apply. You can sign up at any time during the session. All students must be members. Registration is \$40/year. Students receive a membership package, including t-shirt.

A class schedule can be found at our front desk, or on our website at www.PlanetGymnastics.com. Have your birthday party in the gym. See our brochure.
