PLANET GYMNASTICS PRESCHOOL PROGRAM

Preschool gymnastics helps children to develop a positive self-esteem. It gives confidence. It teaches coordination, fine and gross motor skills, socialization, following directions, and most of all, a joy of learning.

Our preschool gym is packed with mini-size gymnastic equipment as well as learning tools for basic language skills. Our preschool music sets the scene with developmental tunes appropriate for toddlers and young children. Students also venture out to the ground-level trampolines and foam pits in the "big gym" each class.

Students follow our Gymnastics Development Plan. They have goals to aim for throughout the month, and parents receive a progress report each semester.

We also have special events to celebrate holidays or seasons, and we host a Winter Wonderland performance by our students in December and a Mini-Olympics in May.

Classes are designed for different ages:

Bouncing Babies is for ages 18 months – 3 years. Parents stay with their children during this 45 min. class.

Tumbling Tots is for 3 year olds who can now take the class independently with parents watching nearby. The class lasts 45 minutes.

Kinderkids is for 4-5 year olds. They practice more advanced skills, and stay in class for 1 hour.

Monthly Rates start at \$71 for 45 minute classes and \$78 for 1 hour classes each week. There is a \$5 discount for paying before the 1st of the month and \$10 discount for signing up for bank or credit card draft. Family discounts apply. You can sign up at any time during the month. Registration is \$40/year for 1 child, \$75/2 children & \$100/3 or more children. Students receive a membership package.

A class schedule can be found at our front desk, or on our website at www.PlanetGymnastics.com
Have your birthday party in the gym. See our brochure.
